

Committee members Peter and Marie Neil represented the Owners Association at the meeting held at Bathurst on Friday, 3rd June 2011, and would like to thank the Bathurst Harness Racing Club, especially Danny Dwyer and Maryanne Donnelly, for their help and support preparing for the meeting and on the night.

We met the Course Announcer, Craig Easy, who not only gave the Bonus Incentive a big plug but he also selected the long price winner of the second Bonus won.

Twenty-one horses were eligible for bonuses on the night, representing 15 individual owners.

The racing was keen and two \$1,000 Bonuses were won on the night.

The first went to Jacki Gibson, the owner of promising two year old filly Oh Eye See. The filly was impressive in winning a heat of the NSW Breeders Challenge. Jacki was very impressed with the size

of the cheque, the dimensions that is, an would have liked to take it home for the study but unfortunately it was need for other presentations. But Jacki, the real cheque is in the mail.

The second bonus was won by Peter and Marie Neil's Rayngold Syndicate when the 2 year old filly Beth Shannon (by McArdle out of Elizabeth Shannon) saluting at the lucrative odds of 22/1. The filly recorded her second win from just three starts.
